GENTLEMEN:—

I have been sufferinfi for three years from Anasarea or general Dropsy of the cellular tissue, caused from the liver and Kidneys My physicians said that I could last but a short time I was unable to lie down except shortly after being tapped. Every tissue was completely filled and saturated with fluid. Three quarters of a gallon was drawn from scrotum several times.

I was completely filled at the time I began using Vaughn's Lithontriptic, perfectly helpless, legs terribly inflamed and exuding fluid. I was unable to get ony rest or sleep except while under the influence of an opiate. I have used eight bottles of Vaughn's Lithontriptic and am now comfortable and able to attend to my business.
